Appraisal & Revalidation - Doctors												
GMC Revalidation Details Required: All licenced Doctors should now have a connection with one organisation that will provide them with a regular appraisal and help them with revalidation. The organisation is called a 'designated body'. This organisation will also have a Responsible Officer responsible for the revalidation process. This can be found on your GMC online account.  GMC Appraisal Details Required: Please supply the details of your last appraisal and any planned appraisal, conducted by an appropriately trained medical professional.												
Please state the name of your designated body:

Indemnity Insurance											
The NHS Clinical Negligence Scheme pays only for cases of medical negligence that arise in NHS hospitals. It does not provide support in a variety of other situations, including criminal cases, GMC or disciplinary proceedings and good Samaritan acts.  There are positions which you may be offered, for which Professional Indemnity is mandatory. In all cases, we strongly recommend Doctors take out and maintain Medical Insurance.
